Your Brand, Your Formula, Our Production

Guangxi Nanning Gufeng Biotechnology Co., Ltd. is a biotechnology-driven enterprise focused on the health-nutrition sector, engaged in the R&D, manufacturing and global sales of health supplements. Our main product portfolio covers supplement gummies, capsules, tablets, herbal extract powders and compound nutritional powders. Backed by diversified product lines, superior craftsmanship and advanced biotechnologies, we deliver practical, cost-effective OEM & ODM health-product solutions for worldwide partners. Driven by innovation, customer-oriented services and corporate social responsibility, we strive to become a reliable competitive participant in the global health market.

01

PRODUCT TECHNICAL

Professional design, let you feel at ease

02

TECHNICAL SUPPORT

We provide presales consultation, aftersales service, please rest assured to buy

03

TAILOR-MADE

Our products are produced in strict accordance with standards and are durable

04

PROFESSIONAL

Our company is a professional manufacturer integrating R&D, production, sales and service

We also welcome OEM / ODM orders.

Over the years, our company has built a high-quality, efficient and stable professional team. Supported by many doctors as core technical backbones, our talent pool includes over 800 employees with master's and bachelor's degrees. Our rigorous management and operation system has won wide recognition from global customers, helping us secure a leading position in the health supplement industry.

Adopting advanced design concepts, our production equipment features low noise, low consumption and energy-saving. Automatic production for health supplements helps reduce costs and improve production efficiency.
